

# Spiritual Philosophy

Arise Christian Academy believes that everyone is created in the image of God. In that, every individual is “fearfully and wonderfully made” (Psalm 139:14). We believe that God has given every child unique abilities, talents, and gifts. With proper instruction and guidance from spirit-filled mentors, teachers, parents, and churches; our children can develop these unique abilities to edify the body of Christ.

We believe that the roles of our teachers, staff, and governing board members go beyond their titles and are God-given talents and ministries. Our daily goals at Arise Christian Academy are to pour into the lives of our students, bless them in all they do, and cultivate their God-given gifts and talents. We are to guide them as uniquely, God created individuals and instruct them in the ways of the Lord.

We believe that if you “train up a child in the way he should go; even when he is old he will not depart from it” (Proverbs 22:6). We know that parents are crucial in the development of children. Arise Christian Academy aims to work closely with families, their local church, and pastors to aid in the overall growth and development of each child’s God-given purpose for their lives.

Arise Christian Academy operates on the word of God. We believe it is the fundamental driving force within our school. The word of God takes precedence over individual beliefs, ideologies, or political viewpoints.
