

Welcome

2025/2026 School Year

Dear Perspective Parents/Guardians and Students,

We appreciate your interest in Arise Christian Academy and your effort in completing all the elements of enrollment. We understand the importance and significance of the decision you are making in deciding what is the best educational fit for your child and pray that if Arise is in God's will for your child and family, that he may fulfill that purpose.

Once you have filled out the enrollment online, we will review it and contact you for a family meeting. Please keep in mind that your child is not fully enrolled until all steps have been completed and you have received an acceptance letter via email from us.

We look forward to meeting you and your family!

God Bless,
